1- INTRODUCTION

Schenker Vietnam Co., Ltd will provide comprehensive range of services include customs clearance, transportation, on-site handling and customs bond storage; re-export; after sales arrangements for all exhibitors' requirement.

This shipping manual should be read in conjunction with the exhibitor kit issued by the organiser. Please do not hesitate to contact us if you require clarification on any points.

We wish you every success at the exhibition and look forward to serving you in Ha Noi.

2- CUSTOMS REGULATIONS FOR TEMPORARY IMPORTATION

- Exhibitors participate the shows will be allowed to import their exhibits and expo materials on temporary import basic. All the shipments for the show will be imported on temporary basic if there is no other pre-arrangement or instruction. Exhibitors will not have to pay for import tax & VAT if cargo on temporary import and re-export all after the show closes.
- All exhibits or materials temporarily imported for the shows **MUST be re-exported** or be **transferred to Customs Bonded warehouse** not later than **30 days** from the show close date. If exhibitors require a longer period for cargo on temporary importation, cargo must be transferred to customs bonded warehouse and this operation & procedure will be offered and charged accordingly.
- Exhibits or promotional materials consumed or given away during the show will be subject to import tax & VAT. We will provide customs conversion from temporary into permanent for these materials. Items which will be imported as permanent need to be declared in advanced before sending to Vietnam. Otherwise all items must be back to custom bonded warehouse before re-export or conversion to permanent importation. Serious custom fine will apply for shipments which exhibitor sell/distribute items at exhibition without declaration before sending to Vietnam.
- Catalogue, brochure, printed materials and DVD, CD, VCD Video tapes are Censorship items. These items are subject to **Censorship Import License** and inspection. It takes up to 10 days to apply for the license so we suggest sending these materials via separate Courier parcel with much earlier arrival deadline for on time customs clearance. In case above materials sent together with other exhibits, please pack separately and declare details in the invoice & packing list.
- Please take note that imported of food stuff and beverage is very complicated and subject to special import license so do not include these items in your main exhibit shipment to avoid delaying in customs clearance.
- For Medical/Cosmetics/Foodstuff and beverage products, we need more documents for temporary importation to Vietnam: Certificate of Origin, Certificate of Analysis, Free Sales Certificate and detail invoice, packing list with color catalogue of product. Please send us a copy of these documents as soon as possible to check and advise if the items are allowed to send to Vietnam or not.
- **ATA Carnet and bank guarantee are not acceptable method for temporary importation in Vietnam**

5- COURIER SERVICE SHIPMENT

Exhibitors are required to check with Schenker before sending any materials via courier to the show. Wrong declaration and consignment will lead to delay in customs clearance and late delivery to the show site. Do not presume that using courier service your materials will be delivered on door to door service as some materials are subject to import, censorship import license and courier service will not apply those licenses on exhibitors behalf.

6- STAND LAYOUT PLANS

Exhibitors are required to submit the scale layout plan for heavy exhibits and equipments which require handling by forklift or crane for positioning. The layout plan must be submitted with invoice & packing list for us to arrange early move in before booth build up. Exhibitors also are requested to get approval for early move in from organizer if they require early set up and assemble of exhibits.

7- UNPACKING / REPACKING ON SITE

- Schenker operation team will assist you with basic physical unpacking and repacking of exhibits, however exhibitors must supervise and be responsible for these operations. For this purpose, a representative of the company must be available on-site during the move-in / move-out period. If exhibitors request us to arrange unpacking or repacking without their supervision, we shall handle the operations at the exhibitors risk and report back the cargo condition after operation.
- Exhibits require special handling for assembling or dismantling must be handled with supervision by representative from exhibitor. Additional handling and using of forklift or crane for assembling / dismantling is to exhibitors account.
- We will reuse exhibitors' packing materials, cartons and wooden cases for repacking. In case the materials cannot be reused, Schenker could provide the packing materials upon exhibitors' requirement. Please contact Schenker on site representative for packing material price list.
- To get vacuum packing on site, exhibitors are required to submit service order at least two days before move out. If order made during move out day, the vacuum packing will be done at our warehouse.

8- CASE MARKING INSTRUCTION

In addition to the special case labels which are available from our offices and agents upon request, all packing cases, cartons etc being sent to the exhibition must be stencilled with the following information:
